We are grateful to Elizaville Christian Church for stepping in to fill the gap! This church partner has assumed responsibility for both, the diaper ministry and the Milk & Dairy ministry, which allows neighbors to shop for dairy products through a partnership with 7M's Lebanon IGA. Many neighbors are benefitting from their generosity! Thank you!!

Join us in celebrating two new GAP (God Always Provides) ministries established by Love INC partnering churches. These ministries seek to fill the gaps in community resources by providing for essential needs that our neighbors cannot fill elsewhere. New Hope Christian Church began providing meat to neighbors in the Whitestown/Zionsville area in February and has recently begun to provide eggs, as well! New Hope Baptist is opening a basic needs pantry in Jamestown, which will supply non-perishable food, clothing, hygiene products, kids' books/toys and Gospel literature. We are excited to partner with these churches and support their efforts to serve as God is calling.

These ladies from New Hope Christian Church spent their Saturday morning at Love INC, where they organized the food pantry and the baby items, prepared mailings for Transformational Ministry Life Groups, and more! We are so grateful for their help!

# HATCH™

**EGGS FOR THE GREATER GOOD.**

A new partnership with Hatch allows us to support the GAP ministries at New Hope Christian Church and Dover Christian Church that provide meat and eggs (New Hope) to our neighbors. Hatch is led by Executive Director Danny Leckie, a member of New Hope Christian Church.

*Our mission is to mobilize local churches to transform lives and communities In the Name of Christ.*
