

An Affiliate of Love INC National

Issue 1, 2022

Our logo is changing, but our mission to mobilize the Church to transform lives and communities In the Name of Christ remains the same!

You will soon notice a change at Love INC! After almost 20 years and a lot of prayer, Love INC National has determined that it is time for a rebranding that will help the organization keep up with modern trends in communication.

"WHEN OUR PREVIOUS LOGO WAS DEVELOPED IN 2003, SIMPLY HAVING A WEBSITE WAS HIGH-TECH; SMARTPHONES AND TABLETS WEREN'T YET INVENTED; AND SOCIAL MEDIA PLATFORMS LIKE FACEBOOK, TWITTER, AND INSTAGRAM DIDN'T EXIST. AS NEW TECHNOLOGIES AND DIGITAL MARKETING PLATFORMS HAVE EMERGED, THE WAY PEOPLE INTERACT HAS CHANGED, AND GRAPHIC DESIGN HAS CHANGED ALONG WITH IT. IN LIGHT OF THIS, WHEN WE EVALUATED HOW OUR CURRENT LOGO WORKED IN TODAY'S MARKETING CLIMATE, WE IDENTIFIED A VARIETY OF OPPORTUNITIES FOR IMPROVEMENT."

LOVE INC NATIONAL

Love INC of Boone County will make the switch to the new logo on June 1st. Rest assured, the new look will not affect the mission and goals of the ministry--we remain committed to helping Boone County churches help others!

Living Hope - Homes from the Heart

Love INC is excited about the beginning of Homes from the Heart, a program that temporarily houses participants in an apartment paid for by Love INC and its partnering churches. Volunteer mentors work with the families to set goals, create budgets, and begin moving toward financial independence. Participants attend Transformational Ministry classes (Affirming Potential, Boundaries, and Faith and Finances), meet weekly with mentors to review progress, and submit to random drug tests while they are in the program.

Since the January 22 opening of the first apartment shelter, and the March 17 opening of the 2nd apartment shelter, three families have been hosted. Through incredible church support, meals, furniture, and supplies have been provided. At present, 97 meals have been provided for the guest families. These meals have been made and delivered through the generosity of members of Lebanon Christian, First Community, and Centenary United Methodist. Additionally, furniture and household items have been provided through donations from our Boone County community for these apartment shelters. Love INC church partners that host GAP (God Always Provides) ministries for neighbors have provided additional needed supplies. Lebanon Christian's GAP ministry has provided linens and towels for both apartments and additional household items. First Baptist's GAP ministry has provided cleaning supplies. First Community has provided personal care items. Members of several congregations have assisted in moving guests into the apartments. If your church would like to be a part of this amazing journey, please call Marcia at the number below.

Do you want to be part of this exciting new program?

HERE'S HOW:

- Pray for the program participants, the mentors, the churches, and the Love INC staff
- Volunteer to be a mentor
- Encourage your church to participate as a partner by providing a meal once per week for one month to the apartment shelter guest families.
- Provide financial support to keep these shelters open during 2023 and beyond.

Call Marcia at 765-482-6152 for more information!

Shaker Square Apartments

Parkview Apartments
