The first annual Coldest Night of the Year 2k/5k Walk was a great success! Thanks to everyone who joined us at the event on February 24, to those who walked off-site, to those who volunteered, and to those who supported the walk financially. We are especially grateful to the churches that hosted - First Community, Central Christian, and Life's Journey. Together, we raised \$26,000 in this effort to bring awareness about homelessness in our community. Mark your calendars for Feb 22, 2025 and plan to join us again next year!

LOVE YOUR NEIGHBOR DAY!

These ladies and others celebrated Valentine's Day by providing food for Love INC's pantry for the homeless. What a wonderful way to love your neighbor!

Did you know?

Furniture deliveries happen the 2nd Thursday of each month, and other times, as volunteers are available. Neighbors are blessed with gently-used furniture, delivered by church volunteers. This ministry can always use some extra hands! If you are willing to help out, contact Jeannie at 765-482-6152.

Thank you!

We appreciate these generous donors, who provided much-needed items for our neighbors!

- ZHS Music Department collected socks and underwear at its Holiday Concert
- Casey's Gas Station, provided food for the pantry
- Lebanon First Church of the Nazarene donated diapers
- Chris Henry, purchased 10 new mattresses for the furniture ministry

The Love INC Board of Directors elected new officers at its March meeting. Serving this year are: Craig Carrell (Chairman), Bernie Terhune (Vice-Chairman), Bill McPherson (Secretary), and David Bruce (Treasurer).

A dozen volunteers gathered for a brief training in January, led by Love INC Staff. Opportunities are available if you'd like to join the team. Contact Jeannie for more information at 765-482-6152.

Love INC recently purchased a new printer to replace the one donated by Lebanon Christian 9 years ago!

Love INC Staff had the opportunity to participate in these training and networking events!
