Pray for the Heart Cries

Children in Poverty
Pray they feel safe and loved. Pray they never go hungry. Pray they are surrounded by people who value them as God's children and can be Christian mentors for them. Pray for stability within their families. Pray they have homes and warm beds. Pray they can escape the cycle of poverty.

Partnering Churches
40 Boone County churches provide funding, volunteers, and/or house GAP ministries. Pray that God will strengthen these churches and that other churches will join them as we all work together to better serve those in need.

Boone County Townships
Center, Clinton, Eagle, Harrison, Jackson, Jefferson, Marion, Perry, Sugar Creek, Union, Washington, and Worth. Pray for revival in each township. Pray for the trustee of each township, that he/she would have a compassionate heart and seek God's wisdom when helping those who call for assistance.

Personal Relationship With Christ
Oftentimes, neighbors have not been raised in the church and have not been introduced to Jesus. Pray that they encounter him in their interactions with Love INC and come to know him personally.

Service Volunteers
These individuals perform a variety of tasks including building ramps, delivering furniture, making home repairs, preparing meals, and providing transportation, to name a few. Please pray they will be blessed for their service.

Local Agencies
Love INC often works with other local agencies to provide funding or arrange services to meet neighbor needs. Please pray that these agencies will be open to working with us and/or be willing to strengthen relationships so that we can better serve our community.

Church Home
Pray our neighbors find a church where they feel welcomed and loved and can grow in their faith with the support of other believers.

Local Daycares
Pray for the staff of local daycares as they care for the smallest among us. Pray for patience and wisdom for them. Pray that they will be loving and nurturing toward the children in their care.

Furniture Ministry
Through the generosity of donors and the service of volunteers, Love INC is able to deliver gently-used furniture and appliances to neighbors who cannot afford to provide for themselves. Pray that God will continue to supply quality items and the manpower to move them when needed.

Boone County
Pray God's blessings on this community and on those who seek to serve Him here. Pray for the Holy Spirit to revive believers and stir the hearts of those who have yet to know Him.

Healing
Many neighbors suffer from chronic illness, addiction, or injuries to themselves or family members that keep them from working. Pray they understand the Great Physician loves them and wants to restore them to health.

GAP Ministries
Housed at and supported by various partnering churches, these ministries provide needed items for neighbors, including food, cleaning supplies, personal care items, adult and children's clothing, diapers, cribs, and bed frames.

Transportation Many neighbors rely on others to drive them to appointments, the grocery, etc. Public transportation is limited in Boone County. Pray that God will provide alternatives, so that our neighbors can perform these much-needed tasks	Boone County Pray God's blessings on this community and on those who seek to serve Him here. Pray for the Holy Spirit to revive believers and stir the hearts of those who have yet to know Him.	Transformational Ministry This is the part of Love INC that seeks to develop a relationship with the neighbors. As that relationship grows, we pray that God will open the neighbor's heart to hearing more about His plan of salvation and how they can claim His promises for themselves.	Church Liaisons The Love INC ministry model is based on relationships between the ministry and the churches. Individuals act as liaisons, assuring that communication flows efficiently between them. Please pray that individuals from each church will step forward to serve in this way.	Those Struggling With Addictions Pray that they have the strength to overcome their addictions. Pray they know that God loves them and has better plans for their lives. Pray for their families as they try to be supportive yet firm. Pray for their safety and health.

Building God has blessed Love INC with a building that has been dedicated to His service. Please pray they have the strength to make the difficult choices involved in bringing their finances in line with God's will for their lives.	Pastors Pray that God will strengthen and sustain them as they lead His Church.	Community Classes Provided as part of the Transformational Ministry program, these classes seek to affirm the neighbor's value, help them develop healthy boundaries, and establish God-honoring budgets. Pray that neighbors will be drawn to the classes, that they will be faithful in their attendance, and that God will bless their efforts in trying to better themselves.	Growing Hope This is the 5th year of partnership with Boone County Farm Bureau to combine the resources of farmers, businesses, and organizations to provide a harvest of blessing to Love INC neighbors through Transformational Ministry programming. Pray for those involved in each phase of the project, and for an abundant harvest with eternal significance.	Housing Neighbors come to Love INC upon being released from jail, facing eviction, or escaping abusive relationships. They are unable to find a place to live or to remain where they are because they have very little income. Please pray that God will make affordable housing available in Boone County.
